

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-403

Judge:

Complainant:

ORDER

January 31, 2025

The Complainant alleged a superior court judge in a family court case was biased and refused to consider his evidence.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on January 31, 2025.

I was told I have burden of proof in my temporary orders hearing and judge refused to look at my proof I was given mins to try to explain ^{an} highly unique series of issues. when I asked if judge reviewed my evidence she responded " " as if me expecting a judge to take my evidence into consideration is unreasonable. Judge flippantly denied my motion to remove and disqualify even though I proved she lied about me multiple times. she claimed I have ~~warrant~~ that I dont. I proved I dont. judge also shows no concern for mother hitting my daughter or my proof of domestic violence

it is impossible to ² against me.

Prove my case if judge wont look at evidence.
