COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-404

Judge:

Complainant:

ORDER

December 20, 2024

The Complainant alleged a superior court commissioner improperly failed to set aside his criminal conviction.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar, Colleen E. Concannon, Regina L. Nassen, and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 20, 2024.

Hi

reviewed the DR and the file for the name . She found a police report belonging to that her investigator obtained.

My understanding is that your case began because you were stopped at the scene of some people being pulled over. The driver of that car was , and he was charged with possession of marijuana as far as we can tell. The case is now sealed in . asked her investigator to get the report to see if you were mentioned in it, and you were not. So that is why the report was part of your file.

Since ultimately took over the case, it would have been up to him to decide whether the information was important to explore beyond that.

Thanks,
