**ORDER**

February 20, 2025

The Complainant alleged a superior court judge was partial to the state in a high-profile murder case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 20, 2025.

Judge \_\_\_\_\_ of \_\_\_\_\_ court in \_\_\_\_\_ needs some serious talking to. I don't think you'll do anything but here goes. I know \_\_\_\_\_ who was tried by a jury and that clown of a judge \_\_\_\_\_. I leave my name out because I run a business and I know this judge gets his revenge. So on \_\_\_\_\_ of this year this judge did a lot of things to try to convict \_\_\_\_\_. The judge first lost his shit and crapped on everyone for not finishing the trial on his schedule. Then he takes sides with the prosecutor when he gave \_\_\_\_\_ attorney just \_\_\_\_\_ minutes to do the asking of an important witness. She stands up to \_\_\_\_\_ and he then says \_\_\_\_\_ minutes. I'm sure anyone looking at this trial on the computer or the video thought same as me- old \_\_\_\_\_ about to get cooked by this bias judge. This guy was a prosecutor for many years and it showed. This case was seen all over the place because it was on the computer live and this part got shown on news over and over. Then he gets pissed again and just walks off.! You do something about this because this is four very serious things he did that left all of us expecting the worst. He was not patient, he was bias, he was unprofessional, he showed he has no judge dignity, he was not nice or courteous at all and he left a big shitpie on all you judges .
