Complainant:

**ORDER**

February 20, 2025

The Complainant alleged a superior court judge signed fraudulent documents ordering dismissal in criminal cases because of mental health reasons.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on February 20, 2025.

After my release from hell and torture, I was harassed for months & into the <sup>state</sup>. I failed a background check for failure to appear before a judge in (???) I was being tortured in lock up. I couldn't appear. All charges have been dropped. has signed his name on a stack of lies. He is less than honorable. He is sinister.
