

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-496

Judge:

Complainant:

ORDER

May 16, 2025

The Complainant alleged a justice of the peace improperly held another person in contempt.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 16, 2025.

COMPLAINT AGAINST A JUDGE

Name: [] Judge's Name: []

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

Dis-Honorable Judge [] decided to take the constitution into his own hands and violate constitutional rights by kidnapping him under a guise of "contempt of court" which is a civil infraction under title 12 of ARS. ARS 12-861 states "A person who wilfully disobeys a lawful writ, process, order or judgement of a superior court by doing an act or thing therein or thereby forbidden, IF THE ACT OR THING DONE ALSO CONSTITUTES A CRIMINAL OFFENSE, shall be preceeded against for contempt as provided in sections 12-862 and 12-863 in which [] in fact did NOT commit a criminal offense. We as american citizens, BORN AND RAISED in the LAND OF THE FREE and THE HOME OF THE BRAVE reserve the great right of the 1st amendment (freedom of speech) and if saying "[] " is a crime I guess i should have been locked up approx 5,000 times because im sure i have said that exact phrase approx 5000 times. I hope you can see where this is going. I believe, i mean im not an attorney or a rocket scientist, so what i believe probably doesnt count because im no one, but, i believe this judge should be removed from the bench for this type of activity. He is what is called a tyrant. There was a judge in [] County that resigned under threat of termination for conduct not as violating as this incident. The correct and proper outcome of this entire mishaps should be as follows:
1) Remove Dis-honorable judge
2)Dismiss all claims against
3) Financially compensate [] to the tune of about [] per hour of incarceration
To me this seems to be the only reasonable outcome but who am i?
