COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 25-058

Judge:

Complainant:

ORDER

May 16, 2025

The Complainant alleged a justice of the peace improperly allowed cases to exist despite the defendant having previously been found incompetent.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 16, 2025.

Judge: Justice Court, AZ

Case #: , not dismissed. Judge dismissed five cases.

He violated constitutional rights and due process as a protected individual as well as being found incompetent in or . I was never restored. The other doctor in in AZ determined I was incompetent, they said they did not think I should be forced into treatment but thought if I was willing to do so at my own will, they would recommend that that I try to get restored to competency. Judge continued to prosecute and tried me even though I was found incompetent. There may be additional rights or due processes that have been violated that I'm not aware of. I believe the judge and the court are acting tyrannical and are unlawfully provoking to act out of character. In ways he would not otherwise. I believe they lack subject matter and personal jurisdiction as is not a citizen of AZ nor was, he at the time of the false allegations.
