ORDER

May 16, 2025

The Complainant alleged a superior court judge was biased in making improper rulings in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 16, 2025.

Courts would let me provide my evidence in which this legal right has been denied by Judge. Also Federal Laws are being violated in my case. Judge has completely stopped my legal court ordered parenting time and denied all motions and petitions we have filed. Judge has cost me employment, time off of work and is doing everything he can to make me a deadbeat father. Judge is a clear example of Arizona law 12-861 contempt of his own court.

I ASK the Arizona Commission to act respectfully on my complaint so I can start seeing my daughter again and continue to see her. And have my constitutional rights restored.

I will nor my daughter will ever receive our legal rights or a non-bias trial with Judge. I have informed the governor about this injustice along with other elected officials and will continue to fight for my legal rights and to enforce court orders in effect.
