**ORDER**

May 16, 2025

The Complainant alleged a superior court commissioner made improper rulings in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 16, 2025.

I am filing a complaint against Judge \_\_\_\_\_ on the grounds of discrimination and blatant disregard for my \_\_\_\_\_ olds safety. During the enforcement hearing that was held on \_\_\_\_\_, the plaintiff involed in this case \_\_\_\_\_ under oath admitted to the judge that he has not made an effort to adhere to the written decree/order that states he has visitation time he states that its due to him being in a car crash causing him to have months of physical therapy but no written documented proof was ever submitted to the judge by him to support his claim. He failed a court ordered drug test for very High levels of THC in his system via hair follicle clearly corrolating his vehicle collison to his constant use of substances the court st is giving rights to our minor child when the law clearly states one is prohibited from doing such acts with a minor child present in the vehicle. The plaintiff \_\_\_\_\_ has also under oath in todays review hearing admitted to purposely not making any attempts to have parenting time with our son blaming his negligence and failure to adhere to the order on various reasons. I have adhered to the order even trying to submit documented proof but the judge didnt want a copy of my proof. The plaintiff staed during todays hearing that he is friends with the courts clerks and friends with the judges and they are on his side, numerous actions by the judges that have and or are presiding over this case have proven that \_\_\_\_\_ the plaintiff is indeed friends with the judges and clerks having an advantage on the ordering preceedings/ decrees that have been granted to him in his favor thus far which that is a conflict of intrest.. The judges at this court continue to put my son in harms way and have reapeadely ignorred any and all evidence ive submitted and or tried to submit to support what I am saying. I record every hearing I have attended for th case so far and I have submitted an audio copy to my local news stationsand social media outlets to show the court doesnt care about chuldrens safety they just want to discriminate against \_\_\_\_\_ people and against \_\_\_\_\_ mothers. I have been yelled at by mediator clerks and jduges for trying to provide proof that the plaintiff is unsafe but they dont care. This court is unethcal and not upholding the law. My sons safety is in danger and Im told by these judges to still let the plaintiff have visitation no matte him driving under the influence crashing his car because of this and also purposely not seeing his son on and off for \_\_\_\_\_ months but lies in court saying hes purposely being kept away. I fear that my son will be kille in \_\_\_\_\_ care and this court will be liable! Nothing is being done to protect my \_\_\_\_\_ old son!
